# CHOOSE THE STYLE THAT INSPIRES YOU

# **FIREPLACE SURROUND**

Fireplaces bring an inviting warmth to your home where the family gathers. Custom fireplace surrounds can be created to help create the look that's just right for your home.

Like furnishings and decor, fireplace surrounds should complement your homes unique architecture and individual style.

# MANTELS

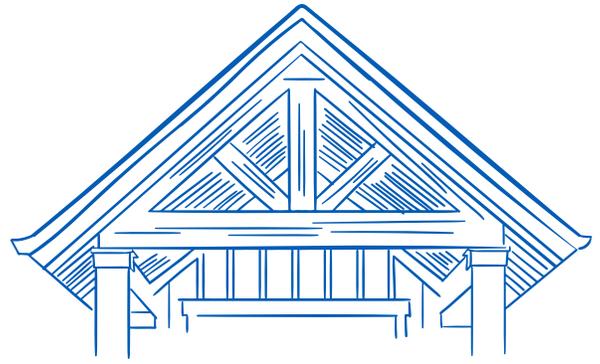

LS Building Products brings years of experience to the design and manufacturing of custom wood fireplace mantels. Our staff of experts will create a magnificent mantelpiece or fireplace mantel shelf for your home, built to your exact specifications. You will be able to decorate your mantel and it will be something that you will enjoy for many years to come.

**PEDIMENTS**

You can dress up any doorway or window by adding decorative pediments around them. Pediments can be on the exterior or interior of your home. This option can really enhance the look of your home.

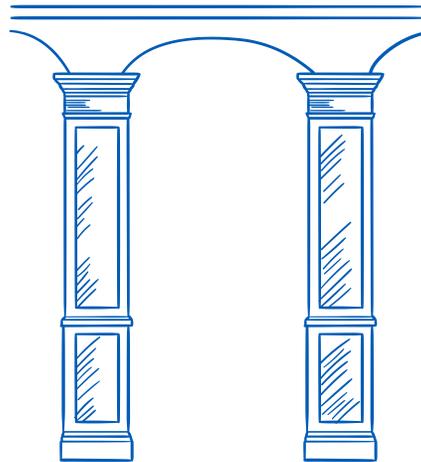

# ADDED VALUE TO YOUR HOME

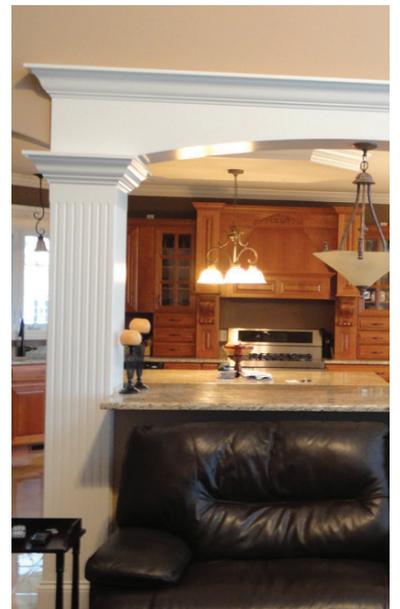

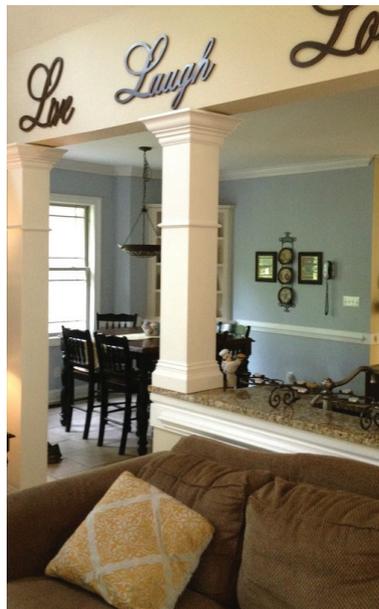

**COLUMNS**

Columns create a certain aesthetic in interior rooms as a great design element. The styles of columns are limitless. Our beautiful interior columns are often implemented as a substitute for walls in order to architecturally create both space and open areas that would normally be blocked by plain walls.

# FROM ROOM TO ROOM, COLUMNS ARE A NATURAL LINKING ELEMENT.

# WINDOW SEATS

Window seats bring coziness and a romantic feel into modern interiors. Simple and elegant, they enhance your interior with texture and color, blending functionality and unique design.
